RECORD 561 VOTERS ATTEND TOWN MEETING

The Bristol auditorium of Old Rochester Regional High School was filled to near capacity by the greatest number of citizens ever to attend a Mattapoisett Town Meeting (regular or special) for the Special Town Meeting called to consider a Zoning Plan for the town. A total of 561 registered voters were checked in by the check list workers.

The voters passed Article 1 which authorized the Town Treasurer to perform the duties of Town Collector. They passed Article 2 authorizing the transfer of $5,000.00 from the Veterans' Rehabilitation fund to construct and equip a comfort station at Veterans' Memorial Park. Article 3 was passed which requires a 2/3 vote of the meeting to reconsider any action of the regular or special town meetings except allowing the Moderator discretion to correct a technical or legal defect in a vote adopted at such a meeting. Article 4 authorized the Selectmen to dispose of two houses located on land purchased by the town from Maud Austin and passed. Article 5 granted an easement to the New Bedford Gas and Edison Light Co. and passed. Article 6 was passed appropriating $4065.00 for street construction of Hammond and Baptist Streets and such other street or streets approved by the Selectmen. The sum of $4,065. to be transferred from the proceeds received from the State under the provisions of Chapter 822. The next article was to accept a

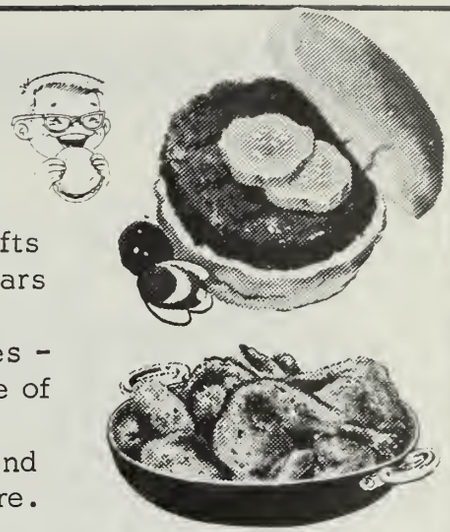
it's COOK OUT time!



That friendly sizzle of the meat over the glowing charcoal fire wafts an aroma around your friends and family that is pure pleasure. Years from now, the same aroma may bring back memories of a shared moment - perhaps of this very week-end. These are the good times - the times to treasure. Make your plans and then make your choice of Little Bay's foods. What will it be? Chicken, Steak, Spare Ribs, Hamburgers, Franks - we have them all. Salads and cole slaws and fruits and pickles and watermelon. Come in. Choose your pleasure.

deed from Maud L. Austin conveying to the town a 20-foot drainage easement bordering on land purchased for the elementary school. It was accepted.

The zoning proposal, Article 8, was introduced by Carleton Burr, chairman of the Mattapoisett Planning Board. He explained that four changes had been made in the proposal following the Hearing on May 17. He briefly outlined the various zones as laid out for the law and in doing this he explained that the Local Business Area planned for the Aucoot Road district had been mistakenly placed on land owned by the Old Rochester Regional School District. He said that the Master Plan would not be under discussion because the zoning map was not a part of the Master Plan. Mr. Burr said that the Board was doing its duty in submitting the plan which they felt would provide protection, "from anyone moving in next to you and doing anything he wants." He said, "the meeting could pass, amend.

approve or reject" the proposal. In the discussion that followed Mr. Burr's presentation, there was considerable criticism of the various requirement of the Zoning plan.

Mr. George Eldridge made a statement in which he made the following points. He started, "I am in favor of zoning -- good zoning for Mattapoisett. Zoning which coincides with the wishes of the people as expressed by the people." He stated that the "Master Plan, upon which these proposed laws are based, was presented only four days prior to this meeting." He said that it was impossible to read, digest the Master Plan in that short time. He said, "this particular law requires an extra effort of understanding by the voters. It will affect either directly or indirectly the lives of both present and future generations." He brought up the fact that the town of Marion had just amended their zoning law to strip zone from the four corners in Marion to the Weweantic River. He continued, "Some days ago, I called to the attention of the chairman (of the planning board) to the discrepancy in the map which allocated Regional High School property to business but the plan was continued on its way on the assumption that this was not the case. I believe, finally, on Saturday (June 5) this error had been realized. I discovered this error by a brief visit to the assessors' office. It might appear that the ownership and availability of the various properties has not

been thoroughly investigated." He brought up the fact that many businesses on Route 6, some of which had been in operation between twenty and thirty years, are now to be placed in a residential zone which would prevent them from expanding. He stated, "I believe they are due some guarantee for adequate expansion and continuity."

(Editor note..Included in the zones for business on Route 6 are 24 businesses in the central zone, 7 in the river zone, 2 in the Brandt Island zone. Total existing businesses on Route 6 to be zoned for business - 33. Businesses on Route 6 to be zoned residential - 20 east of business zone plus 11 west of business zone for a total of 37 businesses zoned into residential restrictions. Result - 33 businesses in Route 6 business zone -- 37 businesses zoned into Route 6 residential zone.)

The 12,000 square foot and 15,00 square foot house lot size was criticized from various stand-

points. Citizens pointed out that retired persons could neither afford or maintain a large lot. It was stated that the cost of these lots would be prohibitive for young families. Mr. Charles Dunn said that, once again, the Summer people, who are Mattapoisett's largest industry, had been completely ignored. He stated that these people, who live here only 3 months of the year, make a sizeable contribution to the economy of the town. He pointed out that, even if the land were available near the shore, that "people don't want to come down for the weekend and spend their entire time cutting grass." He stated that this point had been brought up time and again and yet the proposed zoning map showed most shore property requiring the largest (R1) or 15,000 square foot lot sizes.

The placement of the Industrial Zone in the swamp next to the dump was criticized. Mr. William Matthews of the Planning Board said that this was done because of the likelihood of Route 195 going through this area. He said that industry has the money to fill this land which private home owners could not afford.

Mr. Frederick LeBaron presented a motion to table the proposal after Mr. Charles Dunn had indicated that he would propose a committee of Mattapoisett residents be appointed to study the zoning proposal and report to the Selectmen. The motion to table was overwhelmingly carried by a vote of 336 to 135, exceeding the 2/3 margin required. Immediately after this vote was completed, Mr. Dunn presented his motion. An amendment was proposed to increase the committee from 7 to 15 members and was lost. It was proposed that the committee would be made up of members from all parts of the town and voted. The formation of such an independent committee was voted. The resolution reads:

"Resolved that the town meeting request the Board of Selectmen to appoint an independent committee of seven residents, members to be from each section of town so that all sections of the town may be represented, to review the zoning map so-called, and report to the Selectmen their recommendations within one year for the purpose of publishing their report in the following Town Warrant.

Following the town meeting on Monday the members of the Planning Board announced that they would submit their resignations. On Friday, the Planning Board reconsidered their decision. They decided to remain in their posts and then informed the Selectmen that they would continue to serve. They conferred with the Board of Selectmen and the Selectmen issued the following statement to the press following this session: After meeting with the Board of Selectmen Friday evening, the 18th of June, the Planning Board members of Mattapoisett have rescinded their resignations in view of the unanimous and complete support of the Board of Selectmen. The Board of Selectmen assured the Planning Board that town planning and acceptable by-laws will be encouraged and supported. The Board of Selectmen are requesting interested persons who would like to volunteer to serve on the seven-member committee voted at the last special town meeting June 14th. The purpose of this committee is to make a study of the zoning map, so-called, as presented at that town meeting. This committee shall work in conjunction with the

EDITORIAL - UNWARRANTED NOTORIETY

The editorial entitled "Missed Opportunity" that ventured to lecture the citizens of Mattapoisett on their responsibilities was neither deserved by this town nor was justified by the facts of the case. It showed a lack of tact. It missed the point completely. The record turn out of voters at the Special Town Meeting revealed a community interest and responsibility far greater than most towns can muster. The fact that the citizens rejected the zoning proposal was due to their grasp of its implications and not, as was plainly implied, to their opposition to zoning itself. Dozens of solid points of conflict

were brought out - more than enough to justify further study by people with knowledge of local conditions. The fact that the 561 registered voters immediately voted to form such a committee, after the rejection of the zoning proposition as presented, should have indicated to an investigator that this was a responsible group that was very much interested in the proper kind of zoning for a town that they care a great deal about. No one and no group was to blame for the differences. It is a normal and necessary part of self-government. No one doubts that a great deal of work went into the proposal but certainly few persons present at the Mattapoisett Town meeting would be rash enough to say that this was the perfect plan, the best plan, or an equitable plan. An overwhelming majority of Mattapoisett voters thought that improvements had to be effected. Certainly the time for such alteration is not after the adoption but before it.

We object to this unjustified criticism of a town doing a good job of governing. The notoriety thus brought upon was was unnecessary and unwarranted. We would like to remind the writer of "Missed Opportunity" that all good laws are the result of debate, of the fusion of ideas and the interest of an informed body. In this case of town government, the informed body was our individual citizens. We are proud of Mattapoisett people but never more than on Monday night, June 14th, when it took them almost a solid hour to fill the hall to capacity - giving up an evening to the duty and responsibility of government. No matter what the choice, it was remarkable representation. No one is justified in presuming to discredit this kind of citizenship.

D.C.J., Editor

WHIST PARTY

The Mattapoisett Grange Monday night card party, June 28th, is in charge of Mr. and Mrs. Joseph Furtado and Mrs. Jenny Toolis.

MATTAPOISETT JUNIOR GRANGE

The regular meeting of the Mattapoisett Junior Grange will be held Friday night, June 25th, at 7:30. There will be something special for the Safety program under the direction of the Mattapoisett Fire Department. Members are requested to be present.

FOOD SALE

The Mattapoisett Junior Grange had a very successful traveling food sale Saturday under the direction of William Sylvia, Wayne Sylvia and Mark Harris, assisted by the assistant matron, Mrs. Mary Messier.

GOLF COURSE RECEIVES OPINION

We print the following letter at the request of the Reservation Golf Course's spokesman, Mr. Richard Mandell who asked that it be brought to the attention of Mattapoisett citizens.

Reservation Golf Club, Inc.
Mattapoisett, Massachusetts

Dear Sirs:

At your request I have examined the deeds and other records relating to the land wich the Town considers taking by eminent domain under Article 49 of the warrant for the annual town meeting.

It is my opinion that the deed from the New York, New Haven and Hartford Railroad Company to the Town of Mattapoisett dated December 18, 1956 recorded in Plymouth County Registry of Deeds, Book 2546, Page 207, did not convey to the Town any title to the land within the limits of the former railroad right of way between Reservation Road and Depot Street. It is my conclusion that title to this strip of land is owned by the abutting owners or by the heirs of the abutting owners at the time the railroad was laid out.

I also believe that there is an error of approximately 1800 feet in one of the dimensions in the description. Unless the south line of the so-called Old Ballast Pit constitutes a visible monument on the ground, this error would in my opinion render the proposed taking invalid.

Yours very truly,
Attorney Richard Paul

EXPRESSES THANKS

I would like to express my thanks and appreciation to all who sent cards, flowers and other remembrances, following my recent operation.

MATTAPOISETT GRANGE

Mattapoisett Subordinate Grange held its bi-monthly meeting Thursday night in the Grange hall. The officers of Sippican Pomona were guests and conducted the meeting with Frank Jefferson, Jr. as master.

Mrs. Otto Kellish, chairman of the Shut-in committee, reported on the progress of Mrs. Grace Kinney who has been ill.

William Hinckley has procured an electric refrigerator for the kitchen. Barry Denham, chairman for the youth committee, reported on the youth training school. It was voted to send one of the young members for the advantages they can receive from attending.

A Penny Sale was conducted by the Home and Community Service chairman, Mrs. Ruby Barber. This was in conjunction with a young member of Mattapoisett Grange who will be going to Greece and Israel in July on the heifer project program.

TO TRAIN AT HOSPITAL

Diana Warburton, daughter of Mr. and Mrs. William Warburton, Jr. of Hyannis (formerly of North Street, Mattapoisett, was graduated from Barnstable High School. She received a Cape Cod Registered Nurses' Association Scholarship National Merit Certificate and will enter Deaconess Hospital in September for training.

GRADUATED FROM LYNDON INST.

Rufus Allen Winsor, son of Mr. and Mrs. Allen P. Winsor, Jr. of Lyndonville, Vermont (formerly of Rochester), was graduated from Lyndon Institute. He was a member of the National Honor Society, received Bausch and Lomb Science Award, making him eligible for a scholarship at University of Rochester, received Adrien J. Hebert Physics Award, certificate for excellence in State Math Test, U. V.M. Scholarship for highest ranking boy in senior class, and Rensselear Polytechnic Institute Math Medal for highest four year average (94%). He also received his Varsity letter in basketball at Honors Day Ceremonies. He will enter Bates College in Maine in the Fall and will major in biology.

AWARDED GRANT AT CLARK U.

Llewellyn V. Roberts, head of the English Department at Old Rochester Regional High School, has been awarded a National Defense Education Act grant for study this summer at Clark University in Worcester. Clark is one of several New England colleges and universities offering English institutes through the United States Office of Education.

The N. D. E. A. English Institute at Clark is four-fold in purpose: to increase familiarity with contemporary concepts of language and with research in linguistics; to improve command of the techniques of rhetoric and exposition; to develop greater competence in the criticism of literature; and to assist in the examination, and, if necessary, the revision of teaching practice.

The program includes three compulsory courses ---The Nature and Use of The English Language, Critical Approaches to Literature, and English

Shell Heating Oil can save you money in two important ways

New Shell Heating Oil has been refined by a special Shell patented Hydro-desulphurization process. Billions of sulphur and nitrogen atoms are removed from the oil. The results are clear: this new oil is bright and clean - a very stable heating oil for your burner. This super cleanliness and stability helps save you money.

New Shell Heating Oil also has a special additive that helps guard burner openings against heat robbing deposits. The combination of a properly adjusted burner and Shell Heating Oil helps reduce both fuel bills and service calls. New Shell Heating Oil is available now. Call us today for complete facts.

Poetry---special lectures, film and drama programs, and a final group of workshop sessions. It lasts eight weeks.

Mr. Roberts, who holds two Masters' degrees, has been head of the Old Rochester English Department since the school's opening in the fall of 1961. He makes his home on North Street in Mattapoisett with his wife and three children.

CAPE WAY LITTLE LEAGUE

The Cape Way Little League, comprised of 3 teams from Mattapoisett, 2 teams from Marion, 1 team from Rochester, have completed its first half of the season.

Teams and standings are as follows:

Teams	Won	Lost	Tie
Marion Eagles	8	2	0
Rochester Royals	7	2	1
Mattapoisett Greens	6	4	0
Mattapoisett Reds	5	4	1
Marion Cubs	2	8	0
Mattapoisett Blues	1	9	0

Rochester Royals will replay a tie game with the Mattapoisett Reds, should the Reds emerge victorious undisputed 1st place goes to the Eagles, should the Royals win then they tie the Eagles for 1st place, and a 1-game sudden death play-off will be played to ascertain the league first-half winner.

The Mattapoisett Little League Farm Team, or Pee Wees, as they are called, is in full swing. Dr. Charles Hutchings, the director of this program, reports 70 boys are out and playing. Assisting Dr. Hutchings or "Doc" as he is popularly known around the field are Messrs. Louis Pepin, Manuel Luiz, Carl Nelson, Wayne Bailey, Paul Mullaney and Robert Feitz.

The Farm Team All Stars are in competition with Rochester and Marion in a series of home and away exhibitions. Last Friday Team #1 traveled to Rochester. Next Friday Mattapoisett hosts Rochester at the Center School field. Last week Rochester defeated the Mattapoisett farm team 3 to 1 in a contest featuring 2 Rileys, One a pitcher for Rochester who took the win, the other a Mattapoisett boy who executed an unassisted double play.

The Mattapoisett Sports Committee wishes to thank the following gentlemen for umpiring the games for the Little League: Robert Tinkham, Steve Browne, Sgt. Frank Cooper, Bill MacLean and Steve Almeida.

EXHIBIT AT ART CENTER

An exhibit by a group of contemporary artists will be presented at the Marion Art Center on July 4th. It will include oils, water colors and drawings that are on loan from the Midtown Gallery of New York. Sixteen artists are represented - among them Edward Betts whose powerful patterns of color are inspired by the ruggedness of the Maine coast; Emlen Etting, famous for his poignant drawings of war town France, and Hans Moller whose pictures the Christian Science Monitor has termed "some of the finest color abstractions we have seen in New York".
